

Board Policy President Compensation

- A) The Board of Governors will compensate the President in accordance with the Excluded Compensation Guidelines of the Post Secondary Employers' Association.

- B) The April 2001 PSEA guidelines have been used in establishing salary and other items of compensation.

- C) Other items of compensation are not to exceed 25% of salary in accordance with the guidelines. Any amount added to salary by the President from this 25% to increase his pensionable earnings may be done up to 115% of the job rate as stated in the PSEA guidelines.
