Part-time studies options and pricing are NOT available to international students due to Canada Study Permit requirements for full-time student status. The above tuition fees include Student Technology Fees, Student Activity Fees and Alumni Fees. The above tuition fees do not include other mandatory fees that may apply including Student Association fees, UPASS fees and lab fees. All international students are also required to pay the following mandatory fees:

- > \$100 international student application fee
- > \$35 homestay application fee (if homestay accommodation is requested)
- > \$100 one-time international student fee (starting January 2014)

Health insurance coverage is mandatory for all international students. Students with a valid study permit are required to enroll in BC Health Insurance.

Note 1: The above fee schedule is subject to change as approved by the Vice President Finance, Vice President Education and the Executive Director, International Affairs, in consultation with the Manager of International Education, Program Deans and Campus Managers. Please see "International Student Information" in the COTR program guide or contact the International Education Office for further information on fees and refunds for International Students.
