Students who complete the College of the Rockies Fine Arts Certificate will gain 27-30 credits towards their Bachelor of Fine Arts at KPU. We do not recommend taking FA 219 (Watercolor Painting) as it does not transfer to KPU. We do recommend taking FA 105 and FA 106, as they meet specific requirements of the BFA. Take only one of FA 103 or FA 107 as you will only get credit for one of them.
