

### 2.2.4 Tuition Fees: Part-time Vocational & General Interest

**Preface:**

- A.1 Tuition fees for part-time vocational and general interest courses will be determined in a manner and by a process, which is consistent from College Campus to College Campus.
- A.2 There shall be consistency of fees for similar courses, with consideration of differential delivery costs and markets.
- A.3 As a minimum, general interest courses normally will be self-funding. Part-time vocational courses must meet planned Divisional budget targets.

**Procedures:**

- B.1 The Campus and Continuing Education Managers, in consultation with the appropriate Dean(s) of Instruction, shall determine tuition fees.
- B.2 Tuition fees will be reviewed annually.
