

PARTICIPANTS LIST

The Activity Coordinator (employee coordinating the activity) completes the form, or an alternative participants list that includes all the same information as this form, **prior** to the activity start date. The Activity Leader (College staff member leading the activity) **must have access to** this form during the event.

A copy needs to be submitted to:

- the identified College Emergency Contact (typically the Department Head, Director, or Campus Manager), and
- after the activity, any existing hardcopies go to EAVPAAR to protect privacy of information post activity.

One Participants List form must be completed *per* activity. If more room is needed for participants, continue list on a second form and keep all forms together.
