EVALUATION AND ASSESSMENT:

CPE 3 is considered an integral part of the program. Attendance is mandatory and performance will be graded on a Satisfactory/Unsatisfactory basis.

Assignments	% Of Total Grade
Assignment	Pass/Fail
Teaching/Learning Assignment	Pass/Fail
Self-Evaluation/Instructor Evaluation	Pass/Fail

No rewrites are granted for any assignments or exams within this course.

Please see the instructor's syllabus for specific classroom policies related to this course, such as details of evaluation, penalties for late assignments and use of electronic aids.

Student Attendance/Absence:

- As adult learners, students are expected to attend all classes. Attendance is taken as a means of monitoring student success. In the event of illness or other unavoidable cause of absence, the student should notify the appropriate instructor as soon as possible.
- Students must attend all clinical/preceptorship experiences. If illness or other unavoidable absence occurs the student must notify the appropriate instructor prior to the time s/he is expected.

- Unexcused/excessive absences from clinical/preceptorship may result in student withdrawal from the program.

Written Assignments:

- When a client/patient is referenced in an assignment, students must only use the term client or patient. No identifying markers (e.g. names, initials, room number, etc.) are to be used.
 - Late assignment: a 15% penalty will be applied for each day past due date for late submissions. If any assignment is more than three (3) days late it will be assigned a grade of "0".
-

EXAM POLICY:

Students must attend all required scheduled exams that make up a final grade at the appointed time and place.

Individual instructors may accommodate for illness or personal crisis. Additional accommodation will not be made unless a written request is sent to and approved by the appropriate Department Head prior to the scheduled exam.

Any student who misses a scheduled exam without approval will be given a grade of "0" for the exam.

COURSE GRADE:

COM	Completed to defined standard
